COURSEWORK MODE & MIXED MODE PROGRAMMES

The Master of Public Administration (MPA)

The Master of Public Administration (MPA) program is designed for those serving in the public sector and those planning a career in the public service. It is also open to those from other sectors for whom knowledge of the public sector is important. The basic entry requirement is a bachelor's degree from a recognized university.

Master of Economic Management (MEM)

Master of Economic Management Programme (MEM) is a unique programme that combines practical economic knowledge with an issue-oriented approach. It is designed to train innovative economics practitioners. The programme provides an interesting blend of essential theory and practical application-skills that are necessary for those involved in economic management and are likely to be confronted by a wide range of economic issues.

Master of Social Work (MSW)

The Masters of Social Work Program is a programme that combines social work knowledge and field practice (practicum). It is designed to train social work practitioners from government and non-governmental organizations. This program helps student to work in the social work field at both micro (individual and groups) and macro (organization and community).

The background features a person's hands typing on a laptop keyboard. The laptop screen displays a webpage. The scene is set on a wooden desk with a book and a potted plant in the background. A white rectangular text box is overlaid on the left side of the image, secured with torn paper tape at the corners. The text is centered within the box. At the bottom right of the white box, there is a decorative pattern of small, light-colored dots.
